

Cookie Policy of SCCOT

Application app.sccot.pl and website sccot.pl · version of 1 November 2026, effective from 1 November 2026
· English translation for information purposes only; the Polish version is binding.

1. Cookies and similar technologies

Cookies are small text files stored in the web browser of the User's terminal device. A similar function is performed by browser storage (localStorage, sessionStorage). Cookies and browser storage are used in the SCCOT Application and on the sccot.pl website. The controller of the data collected in this manner is Appi Soft Sp. z o.o. (hereinafter: the "Controller"; contact details are provided in the Privacy Policy) and, in the case of third-party tools, also their providers. Capitalised terms have the meaning given to them in the Terms of Service of SCCOT.

2. Rules of use and consent

1. Cookies necessary for the operation of the Application (login, security, remembering settings selected by the User) are used without consent, on the basis of Article 399(3) of the Polish Electronic Communications Law.
2. Analytics and marketing cookies are used only after consent has been given via the banner. Until consent is given, the tools described in section 3.2 are not launched.
3. Consent may be changed or withdrawn at any time: on the sccot.pl website by means of the "Cookie settings" link in the footer, and in the Application on the "Privacy settings" screen in the account menu. Withdrawal of consent does not affect the lawfulness of processing carried out before its withdrawal.
4. Refusal of consent does not restrict the possibility of using the Application. Giving consent is not a condition for using the Services.
5. The Controller records the date and scope of the consent given in order to demonstrate that it has been given.
6. The support chat (Intercom) is launched only after the User clicks the chat icon.

3. List of cookies and data stored in the browser

3.1. The Controller's cookies (strictly necessary and functional)

Name	Purpose	Category	Retention period
sccot_session	Maintaining the logged-in session	Strictly necessary	120 minutes
XSRF-TOKEN	Protection against actions being performed on behalf of the User by other websites	Strictly necessary	Session duration
remember_panel_*	Remembering the login	Strictly necessary (at the User's request)	5 years
hideSystemResults	Remembering that suggestions in the RMS catalogue are hidden	Functional	5 years
id_token (localStorage)	Panel login status	Strictly necessary	Until logout
lang, config, builderTab, first_steps_collapsed, calendar_mini_collapsed (localStorage)	Language and interface appearance settings	Functional	Until deleted by the browser
onboardingReplay (sessionStorage)	Replaying the tutorial	Functional	Until the tab is closed
cookieLawInfo-checkbox-* (6 items)	Recording the choice made on the consent banner	Strictly necessary	6 months
_GRECAPTCHA (reCAPTCHA)	Protection of login and registration forms against	Strictly necessary	6 months

Name	Purpose	Category	Retention period
	automated submissions		

3.2. Third-party tools (requiring consent)

Name	Provider	Purpose	Category	Duration
_ga, _ga_CRJ5C45P0Y	Google Analytics 4	Application usage statistics together with the User identifier and basic information about the Subscriber	Analytics	2 years
gcl*	Google Ads	Measuring advertising effectiveness (registration, start of trial period, purchase)	Marketing	90 days
_fbp	Meta Platforms Ireland	Pixel: page views, registration, purchase together with amount and plan	Marketing	90 days
_clk, _clsk	Microsoft (Clarity)	Session recording and heatmaps (analysis of the interface layout); all text content, including text entered in form fields, is masked	Analytics	_clk: 1 year, _clsk: 1 day
sib_cuid	Brevo (Sendinblue SAS)	Recognising the User upon return from the payment page	Functional / marketing	6 months
intercom-*	Intercom	Support chat	Functional	identifier: 9 months, session: 7 days

3.3. Information read from the terminal device

After consent has been given in the "analytics" category, the Application reads from the User's browser the information about the terminal device indicated in the table below. Such reading does not involve storing cookies or tracking the User's activity outside the Application.

Scope of information	Purpose
Browser window width	Adapting the Application layout to the screen size
Browser language	Selecting the interface language
Time zone	Correct display of times and dates
Connection quality	Adapting the way views are loaded
Use of the Application installed on the device	Statistics on the manner of using the Application
Presence of a touch screen	Distinguishing the type of device

The legal basis for processing is the User's consent in connection with Article 399 of the Polish Electronic Communications Law. Detailed information is provided in the Privacy Policy, section 3.5.

4. The sccot.pl website

The sccot.pl website uses the same third-party tools and cookies as the Application (section 3.2), on the same terms.

In addition, the following cookies are used on the sccot.pl website:

Name	Provider	Purpose	Category	Duration
cookieinfo-	SCCOT	Recording the choice made on the	Strictly	6 months

Name	Provider	Purpose	Category	Duration
checkbox-* (6 items)		consent banner	necessary	
viewed_cookie_policy	SCCOT	Remembering that the consent banner has already been displayed	Strictly necessary	6 months
_GRECAPTCHA	Google	Protection of contact forms against automated submissions	Strictly necessary	6 months

5. Resources loaded from external servers

When the Application and shared offers are displayed, the User's browser may download fonts and icons from the servers of third-party providers (Google Fonts, Font Awesome, jsDelivr, Cloudflare), which involves the transfer of the User's IP address to those providers.

6. Managing cookies in the browser

The User may delete and block cookies in the web browser settings. Blocking strictly necessary cookies makes it impossible to log in to the Application.
